OUTWORK was gathered by the pilot after bobbling slightly being released from the gate, got engaged in a duel with MATT KING COAL travelling three wide on the opening turn, remained hooked up with that opponent, at times closer to the rail, wrested away the lead leaving the three-eighths pole, spun into the lane, with the nemesis still hitched up, had the rider to to work, edged away only to have TROJAN NATION unleashing a menacing bid from the rail, began to shift to the inside deep into the furlong grounds, shifted more readily after a solitary right handed shot, brushed with MATT KING COAL before carrying that foe closer to the rail himself and into contact with the second place finisher, was kept to a hard drive vying on even terms with TROJAN NATION in the final stages. reached the wire in time to win the bob. TROJAN NATION cut over to the rail soon after the start, was devoid of early speed, picked up the pace after entering the far turn, cut the corner into the stretch and maintained the momentum, gained enough real estate to loom boldly with an eighth to go, got put in tight from pressure originating by the winner, eventually brushing with MATT KING COAL, forged ahead with good courage to draw directly alongside the top one, fought valiantly to the end but fell short. ADVENTIST rank on the bit proceeding towards the clubhouse turn, took the two path around it, tipped out much wider after departing the backstretch, was hung out four wide, the widest of all, on the far turn, fanned out into seven path from upper to midstretch, once more being the widest of all, closed in well to garner the show award. MATT KING COAL made some contact with FLEXIBILITY after the field had been sent off and running, gained command shortly afterwards, vied to hold the lead matched up with the winner, alternating between the inside route and the two path, trailed the previously-named opponent by approximately a half length as they headed into the stretch, was still in contention when brushed by and forced inward by the top one at the eighth pole, went on to brush with the second place finisher, weakened steadily thereafter. SHAGAF took up residence in the two path after a clean getaway, remained unhurried until the final stages of the run around the second bend, got set down spinning four wide into the stretch, bumped with TALE OF S'AVALL before completing the move, made no late headway. TALE OF S'AVALL got guided over to the rail, picked up the pace after the second split had been recorded, was given his cue getting angled outward from the five-sixteenths marker, completed the sweeping move in path five, bumped with SHAGAF, himself being maneuvered four wide into the stretch, in the vicinity of the three-sixteenths pole, made some progress until midstretch then tired. FLEXIBILITY bumped with MATT KING COAL a stride out of the starting gate, settled into the two path taking up the chase from midpack, got placed three wide at the head of the stretch, had little left and backed away. DALMORE strung out three wide on both turns, folded.
